

- Walk in the arena to where a slicker is hanging
- Put the slicker on and take it off, hanging it back up
- Trot into a box made of 4 logs/posts
- Trot a 360 (to the left) in the box and then walk out
- Turn at the cone and make a 1/4 right turn
- Stop at the side of the arena in the left lead
- Canter down the side of the arena in the left lead until you get to a barrel, stop
- Take the feed sack tied with a string off the barrel and trot to the next barrel
- Leave the feed sack on the second barrel and walk to a "I" made of logs/posts
- Back through the "I" and go completely out of it and then walk to cone
- Make a 1/4 right turn
- Sidepass (to the left) one side of the "I"
- Stop at the cone, make a 1/4 right turn
- Canter down the arena on the right lead
- Stop at the cone, turn toward bridge
- Walk across bridge made of sheet of plywood
- Exit arena
